Explanation

The term workation is an artificial word, which is composed of the two English terms work and vacation.

Workation:

- Apply to any work-related activities while on vacation, e.g.:
 - Managing e-mails
 - Conference calls
 - Short visit to the foreign branch
 - Meetings with clients
- Group of people:
 - Employed / Employee
 - Self-employed / Freelancer

You need the social security certificate (A1 certificate / certificate of posting) if you travel to a third country with a social security agreement as an employee or self-employed person for professional reasons. The social security certificate confirms that you pay social security contributions (including health insurance contributions) in your country of primary residence. The social security certificate is valid per entry.
